

FRISCO SUP 22-0004

7255 MEADOW HILL DRIVE

REVISED NARRATIVE

This Special Use Permit Application is for the above address occupied by Performance Indoor Training is to be able to serve beer and wine to its Private Club members.

The plan for serving will be focused on the hours when the facility is catering to adult programming, such as leagues, open play, or any other activity that is adults only. Adult programming operates Monday – Friday between 8:30 PM – 12:30 AM and Saturday – Sunday between 8:00 AM – 10:00 PM.

Alcohol would be sold to its members at the concession bar and the front desk. The concession bar is located at the rear of the building while the front desk is at the building entrance. Members would be allowed to consume their beverages in the concession stand table area, facility observation deck, and all designated spectator areas during adult only programming.

Signs will be posted on all building and parking lot exits, “No alcohol beyond this point”

Members currently utilize “BYOB” during the times we are requesting to sell. There are no changes requested in this request related to the property. The request is to serve alcohol to the members of the Private Club.

The PIT Private Club TABC Permit NB 200062312 was issued on 6-25-22. They have not been able to use their permit for seven months. The TABC will not allow a permit to be “frozen” so they have lost the money paid for the permit during this time. A Texas Alcoholic Beverage NB Permit authorizes the storage and service of malt beverages and wine for club members’ on-premise consumption, even in dry areas. It includes authority to transport alcoholic beverages from the place of purchase to the private club’s licensed premises. The club would begin service to members the day after approval for this SUP from Frisco City Council.
