Fuel Surcharge Policy: This surcharge will be charged in the event that the price of diesel fuel rises above the established price of \$2.75. The current fuel price will be based upon the D.O.E Energy Information Administration posting for highway diesel fuel for the Gulf Coast Region each Tuesday morning. The fuel surcharge will be .25% of the total invoice amount for every \$.05 the posted price of fuel rises above the established base price. Fuel surcharges are locked in for delivery within 30 days of the date the quote is issued. Deliveries beyond 30 days will be charged the current fuel surcharge at the time of delivery.

Important Notes: This quote is valid for 30 days only. If installation crew arrives at the job site and is unable to perform the work due to the site not being ready, a \$500.00 trip charge will be due immediately. Pneumatic installation price includes labor, installation, clean-up, and up to 200' of hose. A surcharge of \$1 per cubic yard will be added to your invoice for each additional 25' section of hose needed to access the site. Your signature will authorize work at the price shown above and acknowledges receipt of the recommended maintenance and/or installation procedures.

Grass Clause: Soil Express, Ltd. will not drive off the pavement unless directed to do so by the customer or customer's representative. Soil Express, Ltd. will not be liable in any way for damages to the ground, any sprinkler system present, or any other possible damage to the surroundings. In the event the blower truck becomes stuck, the customer agrees to pay all costs associated with pulling the blower truck out. Our driver will use every reasonable precaution before attempting to drive across the grass; but cannot eliminate all risk. Approval of this quote or your purchase order will authorize our trucks to drive across the grass to reach the playgrounds only with the previous authorization of the Supervisor or Playground Technicians.
